Lion Spirit . . . Catch It!

And the Spirit goes on . . .

DEDICATION

Understanding and compassion are the qualities that best describe this teacher of freshman English. She presents a refreshing atmosphere to her classes and instills in them the desire to become better students. She gives to each student daily in order to better communicate with each person and to commit herself to helping the students improve their values in all around basic living. She sets the highest of standards and aids the students in attaining these goals. To sum it up, she cares and she shows it!

MANY THANKS FOR SHOWING IT . . .

IDA OVERMAN

"I respect the student as long as the student respects me."

A LITTLE SONG OF LIFE

Lizette Woodworth Reese

Glad that I live am I; That the sky is blue;
Glad for the country lanes, And the fall of dew.

After the sun the rain, After the rain the sun;
This is the way of life, Till the work be done.

All that we need to do, Be we low or high,
Is to see that we grow, Nearer the sky.

Charlotte Dillon

Charlotte Fogg was borned and reared in El Reno, Oklahoma. She graduated from high school there and attended Ward-Belmont Girls' College in Nashville, Tennessee, as well as the University of Oklahoma where she earned her B.A. degree. Miss Fogg represented Oklahoma in the Miss America pageant. She married John "Mick" Dillon who, incidentally, is a University of Texas graduate. She substituted in the Oklahoma schools for eight years before moving to Ft. Worth in 1962. She taught at Lake Worth for five years before coming to Castleberry High School in 1967 as an English teacher. Mr. and Mrs. Dillon are the parents of three children, two girls and one boy, and they also rank in that preferred class of people — grandparents! Mrs. Dillon enjoys playing the piano — at home or at the University Christian Church. She is looking forward to all that "extra time" in order to enjoy her family.

Effie Gish

Farming was Effie Orr's way of life as a child growing up in Kanona, Kansas. She graduated as the valedictorian from Decatur Community High School and went on to attend Kansas State University where she received her B.S. in home economics. She married Ellis V. Gish and they had two sons. She has a vocational background in church related educational work with youth groups. She and her husband are members of Ridglea Presbyterian Church. Her husband was transferred to General Dynamics so the family moved to Ft. Worth and in 1962 Mrs. Gish joined the faculty of Castleberry High School. She then continued her education as she received her Master's degree from TWC and later became a counselor. Their lake house is a constant source of enjoyment for the entire Gish family — which includes twin grandchildren. She enjoys many projects around the house as well as arts and crafts. She is anticipating much pleasure for the future as she puts her "knack for life" to work!

The Girls' Fellowship of Christian Athletes participated in meetings which were held for all the FCA'ers in the district. At Christmas, they sold wrapping paper to buy gifts for the children at the Pythian Home. In the spring, they attended the state convention. By working together and with others, the girls gained a feeling of closeness and belonging with each other.

Lion Spirit Lingers

IDEAS! WORDS! COPY! HEADS! In the midst of summer vacation, the **Castleviews** staff journeyed to Midwestern University in Wichita Falls for their workshop. And it was there that the 1982 book began to unfold in their minds and, later, on rough drafts and final drafts. The Spirit of the Lions prevailed in their work and the school year began with the staff facing five deadlines within the realm of two hundred and sixteen pages of pictures and copy. They struggled and toiled, and in sheer amazement, met each deadline with a feeling of pride and relief! This book represents the work of eleven students and two sponsors and it represents the help and cooperation of the entire high school student body and faculty. Truly, that LION SPIRIT caught hold and grew — into the 1982 **Castleviews**.

F.H.A.

Homemaking. This includes FHA and its activities; spirit boxes for all athletic teams, Christmas gifts and party for convalescent home, "Faculty Foolies," Buddie Banquet, and Senior Tea.

Homemaking. Whether it's a bachelor pad in Ridgmar Square, a ranch in Weatherford, a room in a commune of back-to-nature thinkers, a home in River Oaks, or a reconverted barn, it's home. Home to someone.

And that someone is a homemaker. Sooner or later, everyone is a homemaker and needs the skills of successfully managing his or her life.

Homemaking is more than cooking and sewing. It is learning how to maintain a family budget, how to protect one's family and home, how to deal with the outside world, how to establish goals within a family and achieve them, how to create a happy home.

More and more family members are assuming their equal responsibilities as homemakers. Sharing in the home work, in the care and guidance of children, in the establishment of values in the home. And even where there is just a single person involved, there is still the need of a homemaker's skills.

Homemaking — the one skill in life everyone needs — how to manage the future!

Activities were specifically created to bring about direct contact with the Spanish people and their culture.

Events for the year included visiting a school that taught English to Spanish students, attending a Spanish ballet, going to Spanish radio stations, and attending the Pan American Student Forum, which is the state Spanish convention.

O.E.A.

This year was one of the greatest years ever for Castleberry Office Education Association Club and why? Because they participated in many activities. They held the first Annual Tarrant County Vocational Beauty Pageant here in the school. They sold pop corn in Room 1 after pep rallies on Friday. They had a tremendous turn out of the people going to O.E.A. workshop in Denton at North Texas State University. They sold lovely Christmas wreaths and brooms, and this was the largest money making project. They had a garage sale where over thirty girls participated. They sold donuts and cookies during break at the beginning of the year. Another project was selling plastic frogs and their most spirited money making project was the giant Lion raffle.

The Christmas party for the entire club was given at Tim Todd's home. The annual banquet for the employers was held during the spring semester.

D.E.C.A.

D.E.C.A. started the school year out with a sales project. They set it up on the same lines as a sales company, and kept records of their sales on the blackboard. Their product, which they sold, was Gold C. Coupon books. The next highlight of D.E. was the leadership school held at Glenrose, Texas. The activities were great. In the class, they studied marketing and worked on their self study guides that related to their jobs.

The Christmas banquet was held at Endicott's with Dr. Winn as the guest speaker. They had several guest speakers this year, plus an employer-employee banquet. One of the most important events was competition at region and state.

H.E.R.O.

H.E.R.O. has had a fantastic year — from its get acquainted party at the beginning of the year to the farewell party for the seniors in May.

The money making projects were profitable and lots of fun as well. The club sold Christmas stickers and Lion stick pins. The money helped pay for the recreational and humanitarian projects. Again, H.E.R.O. was active in befriending the people at the Pythian Home. They visited them at Christmas and other holidays.

The highlight of the year was the employer-employee banquet. The H.E.R.O. students treated their employers to dinner and bestowed each with a plaque to hang in their business establishment.

Other interesting events were the skating party and their traditional dinner at Thanksgiving, attending the rodeo at Will Rogers, and attending Six Flags at the end of the year.

The Health Food Store was still an integral part of the program and was considered a service project, as well as a profitable one.

V.I.C.A.

The cosmetology students belong to the Vocational Industrial Clubs of America. Through V.I.C.A., the students were able to compete in different skill categories at the district and state levels. This prepared the students for the world of work, as well as the role of leadership.

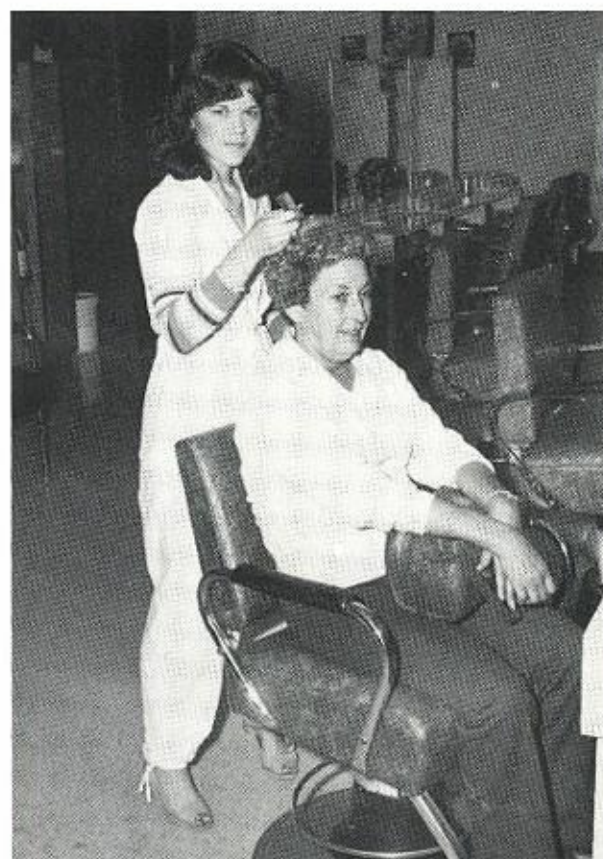

In October, the students attended the Cameo Beauty Show in Dallas. In March, they participated in the district contest in San Antonio, and in April, they competed at the state contest in Austin. Every Friday, the students worked on patrons. The state boards for the seniors were held May 12-13 in Austin. Upon passing these exams, the girls became licensed beauticians, and were qualified to enter the world of beauty.

As Brenda Winaski manicures Sandee Lingo's nails, the two girls have a friendly chat.

STUDENT COUNCIL Guides Student Body Through Busy Year

The student council served the student body with organized leadership and guidance. Meetings were held each Monday. The senators brought ideas to the meetings through which old and new projects were activated. The student council started the year off with the traditional "Howdy Skating Party." Other skating parties followed such as the Halloween and the Saint Patrick's Day events. At homecoming, the student council sponsored competition between the classes by selling links in a chain. The seniors won this event. At Halloween, the council sponsored a new idea — Halloweeds. To show appreciation, the teachers were given a luncheon at Thanksgiving. During Christmas, the student council was busy with candy canes and the can food drive. Finally, spring came and the "clean-up week" was kicked off. At last the year's elections were held. The new officers were much enthused about carrying on the success of the student council.

Learning to Serve

Service has been the highest goal for this year's Key Club. They adopted the motto "We Build" and endeavored to live up to this. Visiting rest homes, ushering, sponsoring the orphan gift drive, washing buses, and co-sponsoring the chili supper have been many of this year's activities. Key Club has been sponsored by Kiwanis International through the years. It has been dedicated to developing leadership and character while serving the school as well as the community.

As the national anthem is played, the Lions stand at attention.

Brenda Green is crowned football sweetheart by captains Manuel Perez (25), Kendall Novak (51), and Tim Reeves (21). The team also presented her a football autographed by all the players.

The Lion Varsity Football Team's record did not show the endurance and dedication that they achieved inwardly this year. Although the Lions' record for the season was 2-8, there were many bright spots throughout the season and the Lions were never at a loss for spirit. The varsity never gave up, and they fought hard throughout each game.

The Lions' main win was against Diamond Hill in the fourth game of the season. The Lions scored in the third quarter when Tim Reeves threw a 63 yard halfback option pass to John Marlin. After a missed conversion kick, the Lions trailed 7-6. Then, with only 1:36 left to play, Gary Lopez blocked the Eagles' punt and Scott McPherson picked it up at the ten yard line and went in for the winning touchdown. The Lions came out on top with a heartstopping 12-7 victory. Granbury forfeited to the Lions due to an ineligible player.

There were many outstanding individual efforts for the varsity this year. These were recognized at the district level with Tim Reeves achieving First Team All District at running back and Gary Lopez also First Team All District for defensive safety. Those receiving Honorable Mention on offense were Steve Shepelwich at center, Gene Browder at tackle, and Kevin McIntire at tight receiver. Those receiving Honorable Mention on defense were Gary Hinkel at defensive end and Manuel Perez at linebacker. Also, Varsity Lion Kevin McIntire was named Offensive Sophomore of the Year. At the last home game, Brenda Green was crowned football sweetheart.

Varsity Football Sweetheart for 1981-82 is Senior Head Cheerleader Brenda Green.

The Junior Varsity played exceptional football this year as they finished the season with a 4-6 record. The J.V. played with determination and spirit throughout the season and displayed great potential for next year.

This year's Freshman Team exhibited fine qualities of solid team play and individual effort as they finished the season with a 3-7 record. The Freshmen gained much experience and maturity that will pay off for them in the future.

There were a number of awards given to players for outstanding individual effort at this year's football banquet. Tim Reeves was named most valuable player on offense, and Gary Lopez was named most valuable player on defense. Tim Sepulvado was named as most valuable player on special teams, and Gary Davis was given the Coaches Fighting Heart Award.

Of the awards which were voted on by the players, Tim Reeves was named M.V.P., and Manuel Perez was honored with the Craig B. Zimmerman Award which was for outstanding effort in football.

SPIKE IT

The team, led by Captain Lisa Christoph, is getting fired up before their match with Azle.

At the regional play-offs, Lisa Christoph bumps the ball to Lisa Kelly as Glenda Pabalate, Diana Nichols, and Paulette Yosten anxiously watch.

The volleyball teams and Coach Shirley Langdon present the district trophy to the school during pep rally.

Castleberry continued its domination of 4A-5 volleyball by once again claiming the throne of the district champion. The way to this honor began in the midst of August with workouts and scrimmages. Their record in pre-zone play was 2-4, and their tournament record was 4-2. They won the South Grand Prairie Tournament, and Lisa Christoph, Angie Brintle, Paulette Yosten, and Pam Winn made the All-Tournament Team.

In zone play, the Lions scored 10-0, and they never lost a game to any of the other five teams. As zone champion, they competed against Keller for the district championship at a neutral site. The Lions defeated the Indians handily in two straight games. The girls' victorious streak continued through the post district games with a 3-1 record. They participated in the regional tournament at Denton and lost to state-bound Waxahachie in a lengthy three game match filled with skill and emotion.

Lisa Christoph and Paulette Yosten were named to the All District Team. On the second team were Angie Brintle and Lisa Kelly. Named Coach of the Year in District 4A-5 was our own Shirley Langdon.

BASKETBALL

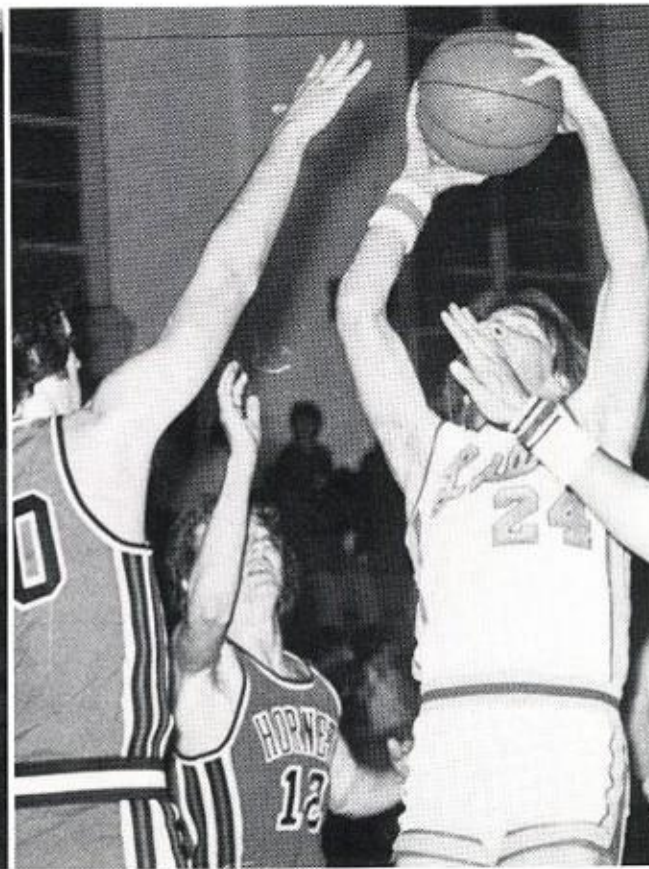

VARSITY LIONS: Left to Right, kneeling: Hank Harris, Russell Johnson, Scott McPherson, John Marlin. Standing: Head Coach Rock Mazza, Scorekeeper Mark Davison, Kevin Wilson, Lowell Lewis, Doug Chadwick, Kevin McIntire, James Lavine, Manager Mark Cross.

Scott McPherson (11) shoots a long outsider over an Azle defender.

Doug Chadwick (14) goes in for a lay-up in spite of a Horner.

Getting a shot off of a rebound against Azle is Kevin McIntire (24).

STUFF IT

Doug Chadwick (14) passes to John Marlin (15) as Kevin Wilson (32), James Lavine (30), and Lowell Lewis (12) defend against the North Side team.

Making a good inside shot against Azle is James Lavine (30).

The varsity basketball team faced a rough schedule this year. The Lions played eight of the top twenty teams in Texas, and not one of those eight embarrassed our fighting Lions. Some of the games were last-second decision games which, unfortunately, did not fall in the favor of the Lions.

The talented Lion team entered the Lion's Club Tournament and a consolation trophy barely escaped them. Each of the Lions gave one hundred and ten per cent while out on the court. The team was formed around the nucleus of four seniors — Doug Chadwick, James Lavine, Scott McPherson, and John Marlin. Following their leadership were three juniors — Lowell Lewis, Hank Harris, and Kevin Wilson. In addition, the varsity was assisted by two sophomores — Kevin McIntire and Russell Johnson.

The varsity concluded an exciting season with a 2-8 district record and an 8-21 season record. The Lions were directed by Rock Mazza, new head basketball coach this year. Coach Mazza's method of basketball resulted in exciting games and proved that the Lions will indeed become one of the top twenty contenders themselves.

MAKE IT

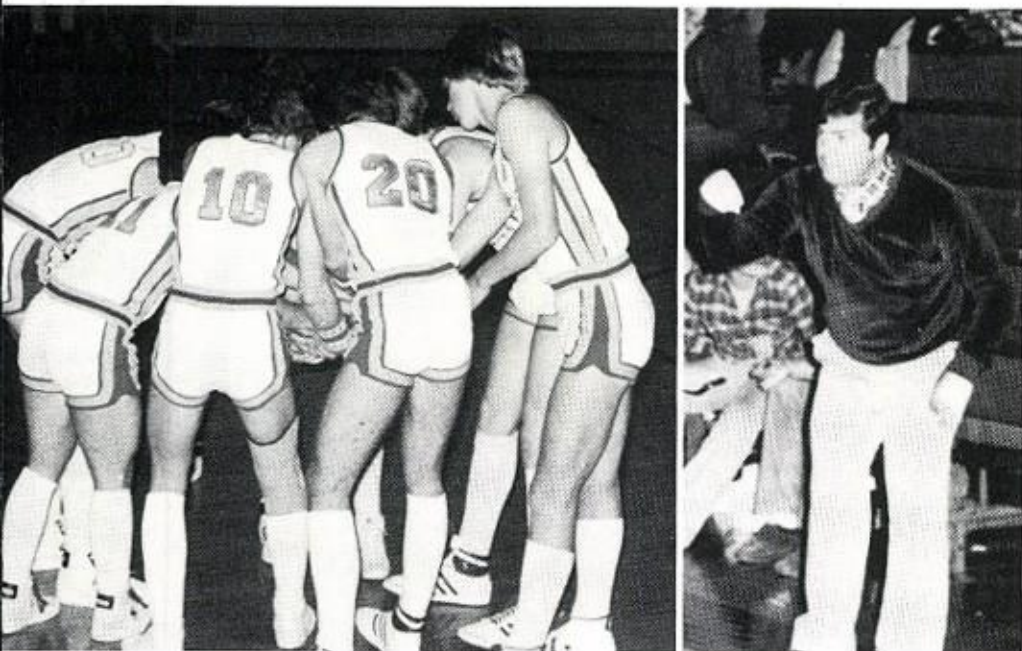

Shooting against North Side is Kevin Wilson (32).

Going up for two points in a fast North Side game is Lowell Lewis.

The varsity players enjoy a first — a basketball pep rally.

The varsity team gives out with their usual "Go, get 'em."

"North Carolinal!" yells Coach Mazza.

Romp is exactly what the J.V. basketball team did in district this year. They started off slow at the beginning of the year, but came on strong at the close of the season when it counted. The J.V. finished the season with four wins and five losses in district play. The team, which consisted of one junior and eight sophomores, was coached by Stephen Paine. This talented group of "round ball" players will, no doubt, become an exciting addition to the returning varsity players and will generate some real "paw power" next year.

The spark was ignited, but was never fanned into a full flame for the freshman team. This year, with consistent improvement and through hard work and stamina, the freshmen closed the season with a 1-8 district record. They worked well together and gave it their best shot. The combined coaching talents of Coach Mazza and Coach Paine improved the capability of the freshman squad one hundred percent.

Angle Daniel, junior cheerleader, is this year's basketball sweetheart.

BASKETBALL

VARSITY: Left to Right, seated: Susie Green, Kelli Dearing. Second Row: Teri Gilbreath, Pam Winn, Lisa Kelly, Patti Hedric. Standing: Coach Doug Maryak, Andria Pritchard, Brenda Green, Lisa Christoph.

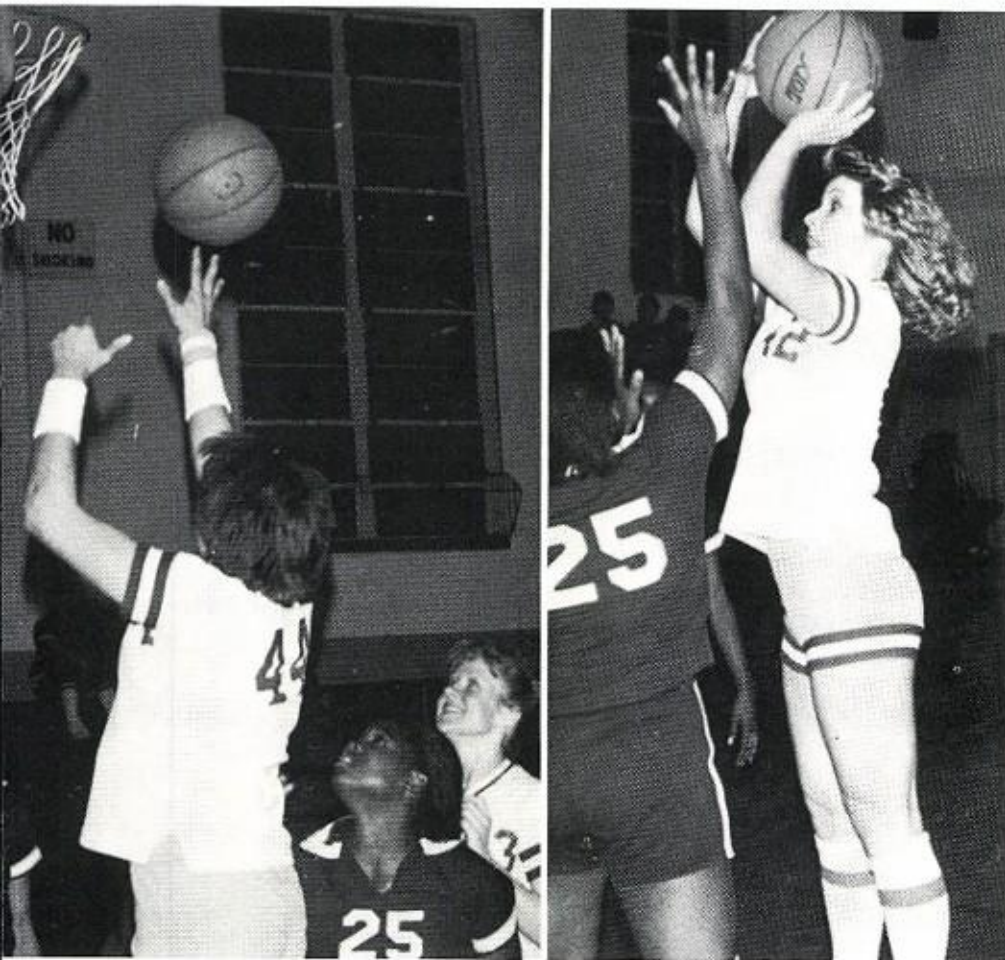

Lions Brenda Green (22) and Lisa Kelly (41) break down the court to assist Andria Pritchard (42) against North Side.

Making an unorthodox shot is Pam Winn (34) as Lisa Christoph (44) and Teri Gilbreath (43) ward off the Steers.

SHOOT IT

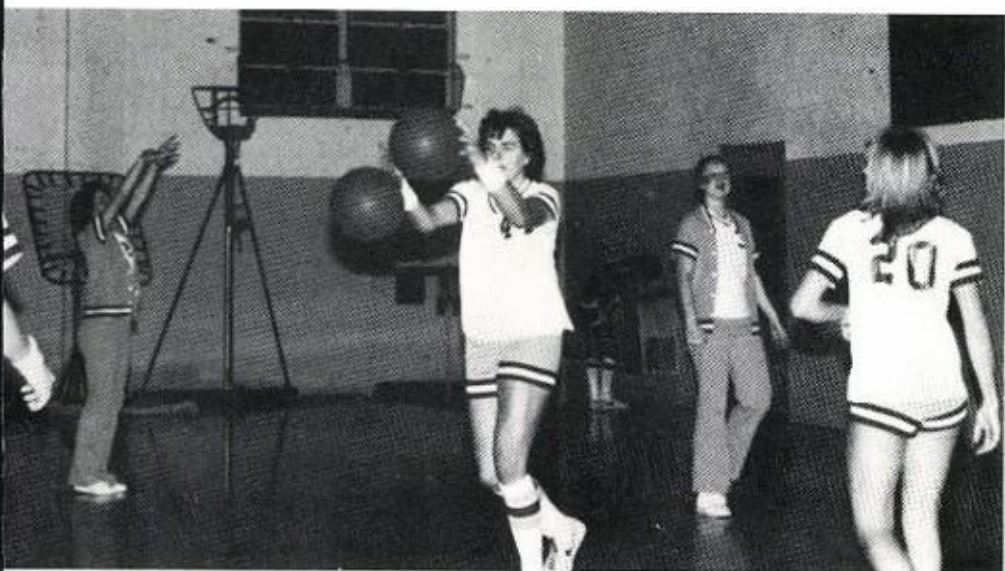

Making an easy two pointer is Lisa Christoph as Parti Hedric (33) looks on.

Andria Pritchard (42) makes a good shot against North Side.

At the free throw line is Lisa Kelly (44) as Andria Pritchard (42), Parti Hedric (33), and the Roos watch her style.

Lisa Christoph shows some of her better ball handling as Brenda Green, Parti Hedric, and Kelli Dearing warm up for the Azle game.

The varsity girls basketball team enjoyed an extremely successful season winning fourteen games and losing ten. Their record in district was six wins and four losses.

Some of their achievements included winning a consolation championship at Crowley, splitting games with Azle and Brewer while beating North Side and Boswell twice. Their biggest achievement was learning how to win a close game. The Lions managed come from behind victories in four games. They beat Aledo 55-54, Azle 48-46, Boswell 61-60, and Brewer 55-53. The courage, character, and determination developed in these victories was an important legacy that future Lions will cherish and it will aid them in achieving greatness in Girls Basketball at Castleberry.

The Junior Varsity Team through hard work and determination also had a successful year. They achieved an eleven win, twelve loss record with an outstanding win over Weatherford in the first half. The leadership, quickness, and height of the junior varsity paved the way for the eight player team in anticipating a good outlook for the future.

Although the Freshman Team did not have a large number of wins, they improved tremendously as the season rolled along. Through the course of the year, their talents developed and it became obvious they would be assets to the Girls Basketball program.

Scott McPherson is this year's basketball beau.

TRACK

FIELD EVENTS: Left to Right, first row: Andria Pritchard, Lisa Kelly, Pam Winn, Brenda Green, Debra Orzek. Second Row: Lisa Christoph, Angie Brintle, Becky Southworth.

The Cross Country team won second in district. Those participating were Debra Orzek, Dana Worley, Coach Doug Maryak, Dede Barrow, Holly Sperry, Becky Hayes, Rhonda York.

The girls track team with their consistency and determination fledged through a most rewarding season. They brought home trophies and honors as they proved their talents. The team did not have much depth this year, but they were certainly hard workers. The strongest point of this year's team was the field events. Angie Brintle showed her capabilities in the field events by placing second in the shot-put at the Fort Worth Coaches' Track Meet. Although the team worked together as a whole, there were more outstanding individual efforts than team events. Returning lettermen were Sally Nieswiadomy, Lisa Kelly, Lisa Christoph, Debra Orzek, and Seniors Angie Brintle and Brenda Green. These girls attributed greatly through their guidance and leadership and gave the other team members the inner feeling of togetherness.

"Sock it to me," says catcher Kurt Adams.

"Ready, aim, fire," mumbles Kevin McIntire.

VARSITY BASEBALL: Left to Right, first row: Leonard Rodriguez, David Lisinski, Ricky Aldaco, Jason Holden, Steven Kuhn, Scott McPherson. Second Row: Kurt Adams, Rodney Boggs, Paul Cash, Miguel Ramos, Ken Hankins, Gary Lopez. Third Row: Coach Randy Josey, Coach Steve Nash, Kevin McIntire, Marvin Apple, John Marlin, Wayne Moore, Lincoln Yowell.

"Just two good old boys" is the way the song goes for Coach Josey and Coach Nash.

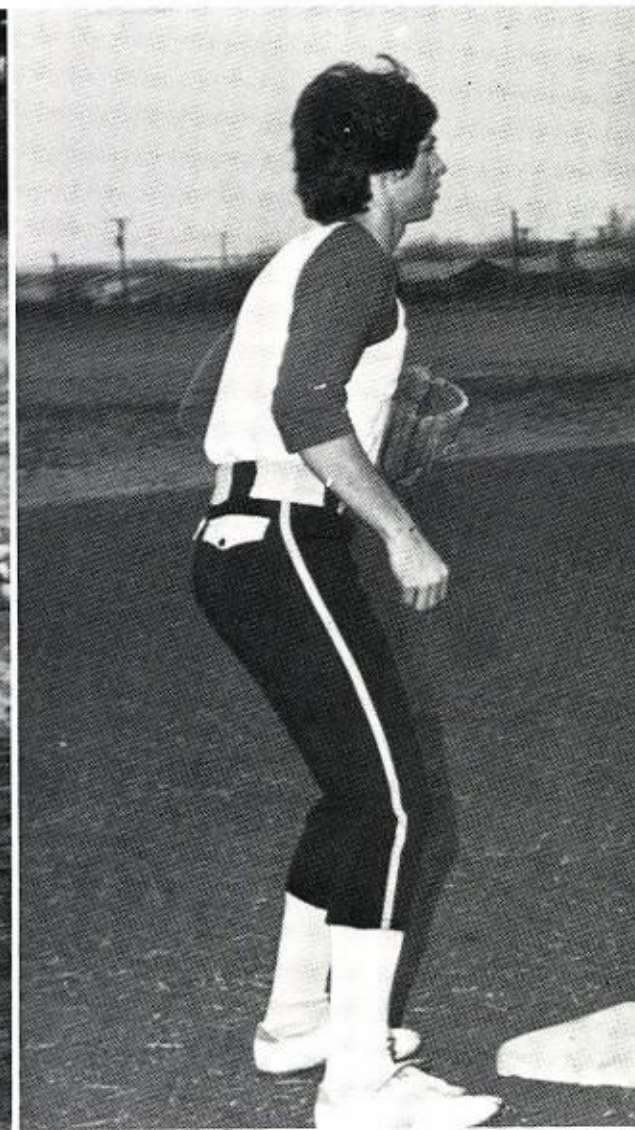

Dana Garrison and Patti Williams are ready for that first Lion score.

The season for Castleberry's Baseball Team proved to be a tough one. With only three seniors, the remainder of the team was made up of less experienced juniors, sophomores, and freshmen. Seniors Gary Lopez, John Marlin, and Scott McPherson, added leadership and experience to the squad and played a large part in the building of this year's team. Coach Steve Nash commented that it took a lot of hard work and the team pulled together. It was exasperating at times, but the Lion nine stuck together. Although lacking in experience and pitching power, the Lions worked hard throughout the season, and made this year another enjoyable one for America's favorite sport.

"There goes the ball," thinks Scott McPherson.

Ready and waiting at third base is John Marlin.

Senior Cheerleader Renee Bianco is this year's sweetheart.

TENNIS

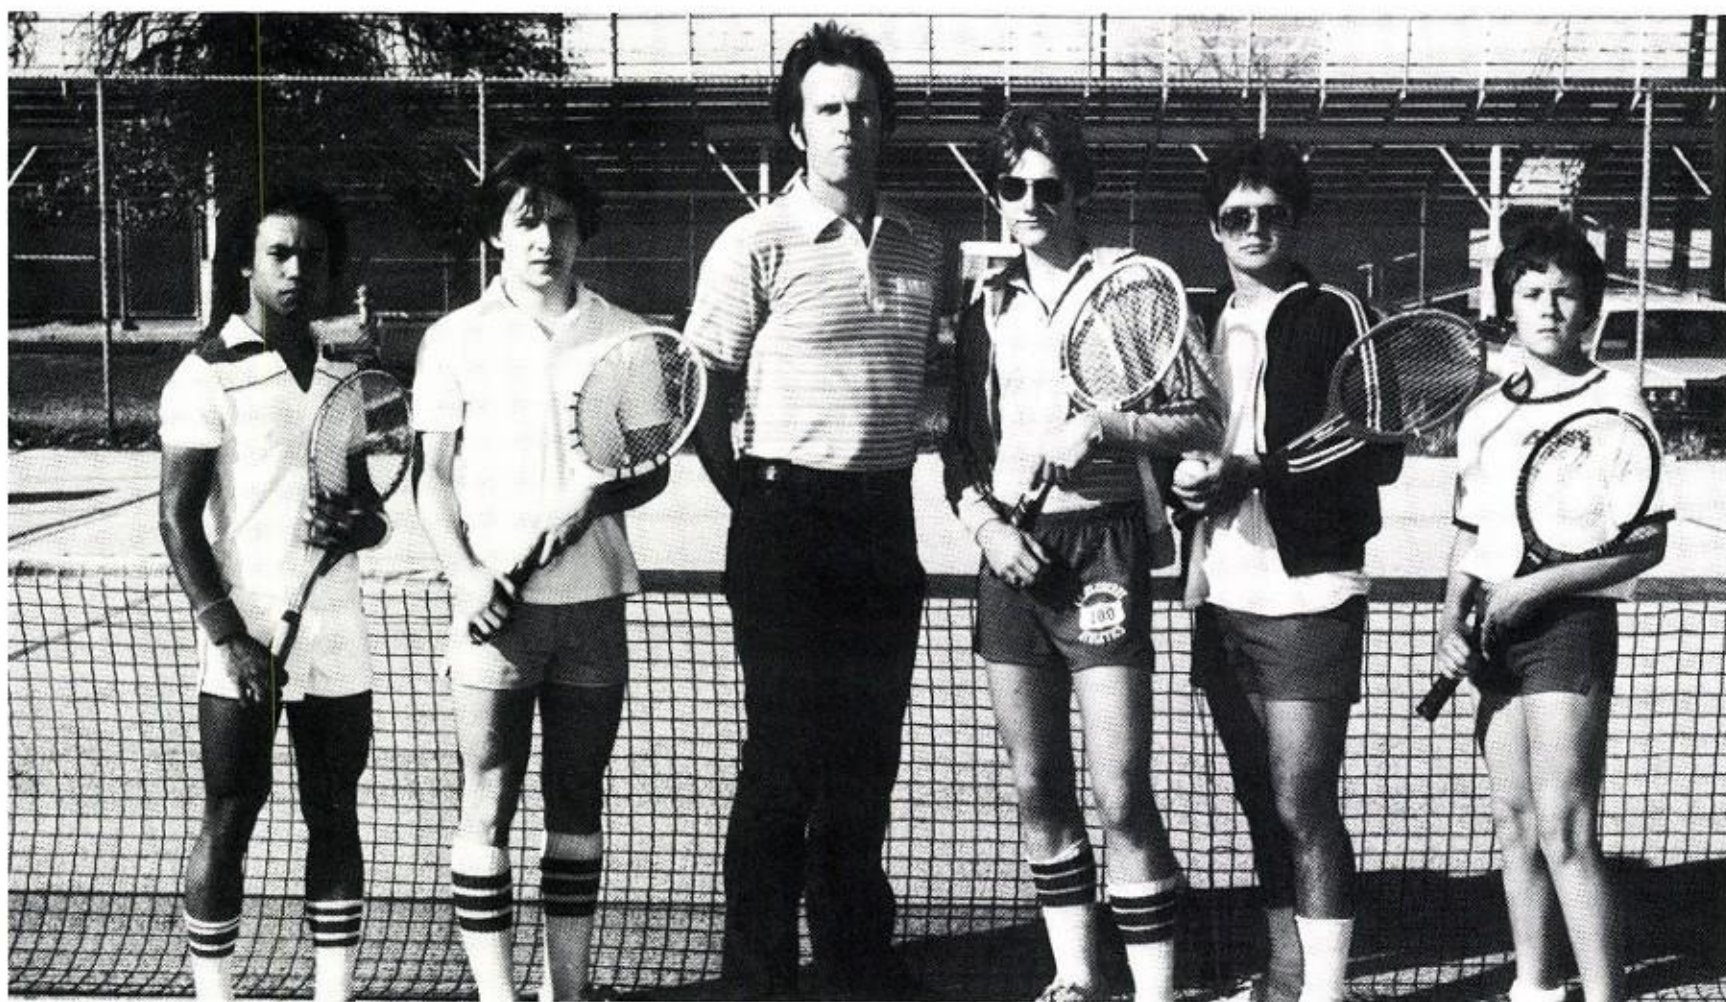

The tennis teams were full of optimism under the directorship of their new coach, David Hodges. They faced stiff competition in the west zone from Weatherford. They worked daily on their serves and strokes as well as their game play.

As the year progressed, English was taught with enthusiasm by the teachers. They produced better English by teaching the students the value of grammar and literature. The literature studies included *Romeo and Juliet*, *Silas Marner*, and *A Tale of Two Cities*. The required theme was a major portion of junior grammar. The teachers gave the students an insight into the appreciation of literature and the proper usage of the English language.

The classes in business and social studies had a busy year. In bookkeeping, the students worked hard on the Quadrasonics. Not only was bookkeeping obtained, but typing was a much learned skill. World History, American History, and American Government contributed the many facts of a growing world. All of the subjects were a big factor in each student's educational program.

INDUSTRIAL

The vocational teachers did their part in aiding the students in securing employment. Not only did that mean that the student was able to work half of the day and attend school the other half, but they were able to earn credits toward graduation. Employment generally prepared the students for the future in their various fields of interest. The classes in industrial arts and homemaking gave that added dimension to the students' well rounded education.

ROYALTY RIDES IN PARADE

LION SPIRIT — CATCH IT

Homecoming Parade

A parade and pep rally began the 1981 homecoming events. The parade consisted of decorated cars, fire trucks, the band, and the homecoming royalty. The pep rally followed immediately with the fight song and cheers. To end an evening of excitement, fun, and memories, and the seniors' burning of the C.H.S. letters symbolized the true meaning of Lion Spirit.

Homecoming traditions were relived as the 1981 homecoming royalty was presented. Riding in antique cars onto the field were the three candidates. Senior class princesses were Shellie Ashcraft, escorted by John Wilson, and Renee Bianco, escorted by John Gravitt. Principal W. O. Barnes crowned senior Dee Stark homecoming queen. She was escorted by Michael Greenleaf. Homecoming 1981 was part of the spirit that surrounded the whole of the student body, exes, and faculty.

*This year was the year the seniors
of 82 made history. We tied back the hands
of time to unite us as one. Some say these
were the worst of times, yet our memories of
yesterday will last a lifetime. We'll take
the best, forget the rest, and someday, someday
we will find these were the best of times!*

Hold that pose Marla King!

"Love Came Down at Christmas," as the A Cappella Choir gave their love.

"Ah, there really is a Santa!" proclaim Jill Nicholas, Karen Sr. Tours, Amy Burda, and Lincoln Yowell.

LION SPIRIT

"Give a little and take a little," quips Rolo Delas Santos to Ford Durler.

HONOR IT

LION SPIRIT . . .

The life of the Castleberry Lions roared along similar to a freewheeling society. The signs of the times not only enlightened the students but gave them a manner of identifying themselves. Whether it was Wranglers or Gloria Vanderbilts, a running fox or a playful Polo, a Nike or an Adidas, gold or silver, or if they were punk rockers or preps, they shared their life styles and their spirit.

The spirit was not a tangible substance but nevertheless a vital essence of Castleberry High School. As the spirit generated, there was love and friendship, caring and sharing, and sorrow. These all contributed to the spirit of life at Castleberry. The students and faculty caught those essential qualities portraying Lion Spirit — strength, hope, wisdom, and most of all, love — and they instilled them in their minds as well as their hearts. This style of spirit compelled one to look at life through this year's activities, caused one to catch the Lion Spirit, to hold it, to preserve it, and, most importantly, to pass it on.

CATCH IT . . .

AND PASS IT ON
